Address 24765 Cassel Fall River Rd
Phone 530-336-7386 Fax _____ Email jacobsonclay@hotmail.com
Present Occupation Consultant

Education College Degree Plant Science

Related Experience ~~Little experience~~ I have been involved with
agriculture my entire life, working with soil, water trying to
find the best ways to promote wildlife,

Why do you wish to serve on this Board? Help with projects that the RCD has
started as well as pursue new ones.

Example. weed management. - Yellow starthistle. (example)
water - Pivots, drip system, moisture meters,

Swamp. Provide ~~opportunities~~ resources for cattlemen and the environment,

What demonstrated interest do you have in soil and water conservation?

Working with farmers and Ranches in the area, I see first hand the
effect we can have on the environment, using specific practices
to conserve erosion and minimize water runoff.

By implementing certain practices we can conserve water.

Which activities and programs of the Fall River Resource Conservation District interest you and why? Soil and water
conservation, weed control. Maintaining wildlife habitats as well as maintaining
water, irrigation rights to certain bodies of water.

What goals do you have in mind for the FRRCD? What would you like to accomplish during your term?

Managing the Swamp, Making it a viable resource for members of our Valley.
Have a weed ^{control} program that is up and running,
