Subject: Mayers Board Members

Sarah,

I am touching bas to receive instruction on how to proceed with our board members. We had the 2 of the 3 incumbents file (Allen Albaugh and Jerry "Abe" Hathaway) . The board held a special meeting after the application process for the third vacancy and have appointed Laura Beyer to the vacant seat.

Can you send me the paperwork I need to complete the process to get these individuals set up for the coming term.

Thank you,

Valerie L. Lakey
