**Section 5. TERM OF AGREEMENT.**

The initial term of this agreement shall be for one year beginning January 28, 2017. The term of this agreement shall be automatically renewed for two additional one-year terms at the end of the initial term, under the same terms and conditions unless written notice of non-renewal is provided by either Party to the other Party at least 30 days prior to the expiration of the initial term or the then current term. Notwithstanding the foregoing, County shall not be obligated for payments hereunder for any future County fiscal year unless or until County's Board of Supervisors appropriates funds for this agreement in County's budget for that County fiscal year. In the event that funds are not appropriated for this agreement, then this agreement shall end as of June 30 of the last County fiscal year for which funds for this agreement were appropriated. For the purposes of this agreement, the County fiscal year commences on July 1 and ends on June 30 of the following year. County shall notify Contractor in writing of such non-appropriation at the earliest possible date.

**Section 6. TERMINATION OF AGREEMENT.**

- A. If Contractor materially fails to perform Contractor's responsibilities under this agreement to the satisfaction of County, or if Contractor fails to fulfill in a timely and professional manner Contractor's responsibilities under this agreement, or if Contractor violates any of the terms or provisions of this agreement, then County shall have the right to terminate this agreement for cause effective immediately upon the County giving written notice thereof to Contractor. If termination for cause is given by County to Contractor and it is later determined that Contractor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph B of this section.
- B. County may terminate this agreement without cause on 30 days written notice to Contractor.
- C. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased during the term of this agreement.
- D. County's right to terminate this agreement may be exercised by the County's Board of Supervisors, County's Executive Officer or his/her designee, or by the Shasta County Sheriff-Coroner or his/her designee..
- E. Should this agreement be terminated, Contractor shall promptly provide to County any and all finished and unfinished reports, data, studies, photographs, charts, and other documents prepared by Contractor pursuant to this agreement.
- F. If this agreement is terminated, Contractor shall only be paid for services satisfactorily completed and provided prior to the effective date of termination.

**Section 7. ENTIRE AGREEMENT; AMENDMENTS; HEADINGS; EXHIBITS/APPENDICES.**

- A. This agreement supersedes all previous agreements relating to the subject of this agreement and constitutes the entire understanding of the parties hereto. Contractor shall be entitled to no other benefits other than those specified herein. Contractor specifically acknowledges that in entering into and executing this agreement, Contractor relies solely upon the provisions contained in this agreement and no others.
- B. No changes, amendments, or alterations to this agreement shall be effective unless in writing and signed by both parties. However, minor amendments that do not result in a substantial or functional change to the original intent of this agreement and do not cause an increase to the maximum amount payable under this agreement may be agreed to in writing between Contractor and the County's Executive Officer or his/her designee, provided that the amendment is in substantially the same format as the County's standard format amendment contained in the Shasta County Contracts Manual (Administrative Policy 6-101).
- C. The headings that appear in this agreement are for reference purposes only and shall not affect the meaning or construction of this agreement.
- D. If any ambiguity, inconsistency, or conflict exists or arises between the provisions of this agreement and the provisions of any of this agreement's exhibits or appendices, the provisions of this agreement shall govern.

**Section 8. NONASSIGNMENT OF AGREEMENT; NON-WAIVER.**

Inasmuch as this agreement is intended to secure the specialized services of Contractor, Contractor may not assign, transfer, delegate, or sublet any interest herein without the prior written consent of County. The waiver by County of any breach of any requirement of this agreement shall not be deemed to be a waiver of any other breach.

**Section 9. EMPLOYMENT STATUS OF CONTRACTOR.**

Contractor shall, during the entire term of this agreement, be construed to be an independent contractor, and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the work or services that are the subject matter of this agreement; provided, however, that the work or services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such work or services. The sole interest of County is to insure that the work or services shall be rendered and performed in a competent, efficient, and satisfactory manner. Contractor shall be fully responsible for payment of all taxes due to the State of California or the federal government that would be withheld from compensation if Contractor were a County employee. County shall not be liable for deductions for any amount for any purpose from Contractor's compensation. Contractor shall not be eligible for coverage under County's workers' compensation insurance plan nor shall Contractor be eligible for any other County benefit. Contractor

must issue W-2 and 941 Forms for income and employment tax purposes, for all of Contractor's assigned personnel under the terms and conditions of this agreement.

**Section 10. INDEMNIFICATION.**

To the fullest extent permitted by law, Contractor shall indemnify and hold harmless County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including, but not limited to, reasonable attorney's fees of County Counsel and counsel retained by County, expert fees, litigation costs, and investigation costs), damages, judgments, or decrees arising from the work or the provision of services undertaken pursuant to this agreement by Contractor, or by any of Contractor's subcontractors, any person employed under Contractor, or under any subcontractor, or in any capacity during the progress of the work or the provision of services undertaken pursuant to this agreement, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of County. Contractor shall also, at Contractor's own expense, defend the County against any claim, suit, action or proceeding brought against County, its elected officials, officers, employees, agents, and volunteers, arising from the work or the provision of services undertaken pursuant to this agreement by Contractor, or any of Contractor's subcontractors, any person employed under Contractor, or under any subcontractor, or in any capacity. Contractor shall also defend and indemnify County for any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency and shall defend, indemnify, and hold harmless County with respect to Contractor's "independent contractor" status that would establish a liability on County for failure to make social security deductions or contributions or income tax withholding payments, or any other legally mandated payment. The provisions of this paragraph are intended to be interpreted as broadly as permitted by applicable law. This provision shall survive the termination, expiration, or cancellation of this agreement.

**Section 11. INSURANCE COVERAGE.**

- A. Without limiting Contractor's duty of indemnification, Contractor and any subcontractor shall obtain, from an insurance carrier authorized to transact business in the State of California, and maintain continuously during the term of this agreement Commercial General Liability Insurance, including coverage for owned and non-owned automobiles, and other insurance necessary to protect the County and the public with limits of liability of not less than \$1 million combined single limit bodily injury and property damage; such insurance shall be primary as to any other insurance maintained by County.
- B. Contractor and any subcontractor shall obtain and maintain continuously required Workers' Compensation and Employer's Liability Insurance to cover Contractor, subcontractor, Contractor's partner(s), subcontractor's partner(s), Contractor's employees, and subcontractor's(s') employees with an insurance carrier authorized to transact business in the State of California covering the full liability for

compensation for injury to those employed by Contractor or subcontractor. Each such policy shall be endorsed to state that the Workers' Compensation carrier waives its right of subrogation against the County, its elected officials, officers, employees, agents, and volunteers which might arise in connection with this agreement. Contractor hereby certifies that Contractor is aware of the provisions of section 3700 of the Labor Code, which requires every employer to insure against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and Contractor shall comply with such provisions before commencing the performance of the work or the provision of services pursuant to this agreement.

- C. Contractor shall obtain and maintain continuously a policy of Errors and Omissions coverage with limits of liability of not less than \$1 million.
- D. Contractor shall require subcontractors to furnish satisfactory proof to County that liability and workers' compensation and other required types of insurance have been obtained and are maintained similar to that required of Contractor pursuant to this agreement.
- E. With regard to all insurance coverage required by this agreement:
  - (1) Any deductible or self-insured retention exceeding \$25,000 for Contractor or subcontractor shall be disclosed to and be subject to approval by the County Risk Manager prior to the effective date of this agreement.
  - (2) If any insurance coverage required hereunder is provided on a "claims made" rather than "occurrence" form, Contractor or subcontractor shall maintain such insurance coverage with an effective date earlier or equal to the effective date of this agreement and continue coverage for a period of three years after the expiration of this agreement and any extensions thereof. In lieu of maintaining post-agreement expiration coverage as specified above, Contractor or subcontractor may satisfy this provision by purchasing tail coverage for the claims-made policy. Such tail coverage shall, at a minimum, provide the insurance coverage required hereunder for claims received and reported three years after the expiration date of this agreement.
  - (3) All insurance (except workers' compensation and professional liability) shall include an endorsement or an amendment to the policy of insurance which names *Shasta County, its elected officials, officers, employees, agents, and volunteers as additional insureds* and provides that coverage *shall not be reduced or canceled without 30 days written prior notice certain to the County*. Any available insurance proceeds in excess of the specified minimum limits and coverage pursuant to the terms of this agreement shall be applicable to the Additional Insured. The additional insureds coverage shall be equal to Insurance Service Office endorsement CG 20 10 for on-going operations, and CG 20 37 for completed operations.

- (4) Each insurance policy (except for workers' compensation and professional liability policies), or an endorsement thereto, shall contain a "separation of insureds" clause which shall read:

"Separation of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
  - b. Separately to each suit insured against whom a claim is made or suit is brought."
- (5) Contractor shall provide the County with an endorsement or amendment to Contractor's policy of insurance as evidence of insurance protection before the effective date of this agreement.
- (6) The insurance coverage required herein shall be in effect at all times during the term of this agreement. In the event any insurance coverage expires at any time during the term of this agreement, Contractor shall provide, at least 20 days prior to said expiration date, a new endorsement or policy amendment evidencing insurance coverage as provided for herein for not less than the remainder of the term of this agreement or for a period of not less than one year. In the event Contractor fails to keep in effect at all times insurance coverage as herein provided and a renewal endorsement or policy amendment is not provided within 10 days of the expiration of the endorsement or policy amendment in effect at inception of this agreement, County may, in addition to any other remedies it may have, terminate this agreement upon the occurrence of such event.
- (7) If the endorsement or amendment does not reflect the limits of liability provided by the policy of insurance, Contractor shall provide County a certificate of insurance reflecting those limits.
- (8) Any of Contractor's Excess Insurance shall contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the County.

**Section 12. NOTICE OF CLAIM; APPLICABLE LAW; VENUE.**

- A. If any claim for damages is filed with Contractor or if any lawsuit is instituted concerning Contractor's performance under this agreement and that in any way, directly or indirectly, contingently or otherwise, affects or might reasonably affect County, Contractor shall give prompt and timely notice thereof to County. Notice shall be prompt and timely if given within 30 days following the date of receipt of a claim or 10 days following the date of service of process of a lawsuit. This

provision shall survive the termination, expiration, or cancellation of this agreement.

- B. Any dispute between the parties, and the interpretation of this agreement, shall be governed by the laws of the State of California. Any litigation shall be venued in Shasta County.

**Section 13. COMPLIANCE WITH LAWS; NON-DISCRIMINATION.**

- C. Contractor represents that Contractor is in compliance with and agrees that Contractor shall continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. sections 12101, *et seq.*), the Fair Employment and Housing Act (Government Code sections 12900, *et seq.*), and regulations and guidelines issued pursuant thereto.
- D. No funds or compensation received by Contractor under this agreement shall be used by Contractor for sectarian worship, instruction, or proselytization. No funds or compensation received by Contractor under this agreement shall be used to provide direct, immediate, or substantial support to any religious activity.

**Section 14. ACCESS TO RECORDS; RECORDS RETENTION.**

County, federal, and state officials shall have access to any books, documents, papers, and records of Contractor that are directly pertinent to the subject matter of this agreement for the purpose of auditing or examining the activities of Contractor or County. Except where longer retention is required by federal or state law, Contractor shall maintain all records for five years after County makes final payment hereunder. This provision shall survive the termination, expiration, or cancellation of this agreement.

Contractor shall maintain appropriate records to insure a proper accounting of all funds and expenditures pertaining to the work performed or the services provided pursuant to this agreement. Contractor shall maintain records providing information that account for all funds and expenses related to the provision of services provided pursuant to this agreement. Access to these records shall be provided to County during working days, 8:00 a.m. to 5:00 p.m. and at other times upon reasonable notice by County, and upon request of state and federal agencies charged with the administration of programs related to the work or services to be provided pursuant to this agreement.

Contractor agrees to accept responsibility for receiving, replying to, and/or complying with any audit exception by appropriate federal, state, or County audit directly related to the provisions of this agreement. Contractor agrees to repay County the full amount of payment received for duplicate billings, erroneous billings, audit exceptions, or false or deceptive claims. Contractor agrees that County may withhold any money due and recover through any appropriate method any money erroneously paid under this agreement if evidence exists of less than full compliance with this agreement including, but not limited to, exercising a right of set-off against any compensation payable to Contractor.

**Section 15. COMPLIANCE WITH CHILD, FAMILY, AND SPOUSAL SUPPORT REPORTING OBLIGATIONS.**

Contractor's failure to comply with state and federal child, family, and spousal support reporting requirements regarding Contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family, and spousal support obligations shall constitute a default under this agreement. Contractor's failure to cure such default within 90 days of notice by County shall be grounds for termination of this agreement.

**Section 16. LICENSES AND PERMITS.**

Contractor, and Contractor's officers, employees, and agents performing the work or services required by this agreement, shall possess and maintain all necessary licenses, permits, certificates, and credentials required by the laws of the United States, the State of California, the County of Shasta, and all other appropriate governmental agencies, including any certification and credentials required by County.
