

RESOLUTION NO. _____

**A RESOLUTION OF THE BOARD OF SUPERVISORS
OF THE COUNTY OF SHASTA
RECOGNIZING AMY PENDERGAST, PUBLIC HEALTH PROGRAM AND POLICY
ANALYST OF THE HEALTH AND HUMAN SERVICES AGENCY,
DEPARTMENT OF PUBLIC HEALTH
AS APRIL 2017 EMPLOYEE OF THE MONTH**

WHEREAS, the Shasta County Board of Supervisors has adopted the Shasta County Employee Recognition Program to identify exceptional employees who deserve to be recognized and honored for their contribution to County service; and

WHEREAS, such recognition is given to the employee meeting the criteria of the program, namely exceptional customer service, professionalism, high ethical standards, initiative, innovation, teamwork, productivity, and service as a role model for other public employees; and

WHEREAS, the Shasta County Employee Recognition Committee has considered all current nominations for the Shasta County Employee of the Month;

NOW, THEREFORE, BE IT RESOLVED that Amy Pendergast, Public Health Program and Policy Analyst, of the Health and Human Services Agency, Department of Public Health is hereby named Shasta County Employee of the Month for April 2017; and

BE IT FURTHER RESOLVED that Ms. Pendergast worked with Shasta County Public Works (SCPW) to write and submit an Active Transportation Planning proposal to implement the plan developed to make improvements at Shasta College. She was responsible for writing the narrative for the infrastructure grant, collecting and tabulating the data, and coordinating conversations and decisions with other partners involved. Because of her strong relationship building, her proven expertise, and the respect given to her because of her professionalism, SCPW included innovative infrastructure into the design. Ultimately the proposal was recommended for funding.

Ms. Pendergast is always thinking of ways to improve the health of the community and prevent obesity and chronic diseases. Such as working with cities and the County by providing health language in the general plans to improve infrastructure to make it easier for people to walk or bike. This work addresses environmental and policy change that has a lasting effect on improving the health of the community.
