**Subject:** For Board of Supervisors consideration: appointment of Clayton Olds to ACID Board

At its monthly meeting on March 16, 2017 our Board of Directors unanimously approved the appointment of Clayton Olds to fill the vacant seat in Division 3.

On behalf of the Anderson-Cottonwood Irrigation District Board of Directors I am requesting that the Shasta County Board of Supervisors consider the appointment of Clayton Olds to the ACID Board of Directors to fill the vacant seat in Division 3.

It is my understanding that Mr. Olds:

1. Is a registered voter;
2. Is a landowner within ACID; and
3. Resides within Division 3 of ACID.

Respectfully submitted,

*Marsha Kelley, Office Manager*
