RE: Appeal to CSA #6 Water Usage Penalty, Account # 00632.00

Please accept this timely appeal of the untenable fine I received on September 15, 2017 from the Shasta County Department of Public Works.

I currently have 7 people in my home and I am unable to cut back to ordinance No. 719 prescribed rate of usage, knowing this I requested, and was approved for a variance of 625 gallons which was a small improvement. Given the harsh summer month that followed the variance, we were in no way able to meet our goal regardless of the usages cutbacks and conservations measures we took part in as a family.

Therefore, I am appealing the usage penalty of \$100.00 and request that the board of supervisors rescind the penalty for my account. Thank you.

Respectfully,

Robin Lynn Freeman
