

11-14-17

To whom it may concern,

I would like the penalty waive related to using water above allotted amount for dates 9-1-17 to 10-31-17. The household size and health issues of the occupants warrant the over use - 4 adults and 3 children.

Three of the adults in the house are involved in health care field - requiring showers and clean uniforms. The other adult has documented skin issues needing regular daily showers along with a nine year old scholar.

The toddler goes without soiling.

The newborn is asthmatic and has issues with aspirating - vomiting without provocation a warning. Needs to have linens and clothing kept clean and dry.

Since this bill has been made two of the adults have moved into another address resolving some of the overusage of water.

Thank you for your
Consideration
