Exhibit B
Budget Detail and Payment Provisions

Part I – General Fiscal Provisions

Section 1 – General Fiscal Provisions

A. Fiscal Provisions

For services satisfactorily rendered, and upon receipt and approval of documentation as identified in Exhibit A, Attachment I, Part III, the Department of Health Care Services (DHCS) agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates and/or allowable costs specified herein.

B. Funding Authorization

Contractor shall bear the financial risk in providing any substance use disorder services covered by this Contract.

C. Availability of Funds

It is understood that, for the mutual benefit of both parties, this Contract may have been written before ascertaining the availability of congressional appropriation of funds in order to avoid program and fiscal delays that would occur if this Contract were not executed until after that determination. If so, DHCS may amend the amount of funding provided for in this Contract based on the actual congressional appropriation.

D. Budget Contingency Clause

It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Contract does not appropriate sufficient funds for the program, this Contract shall be of no further force and effect. In this event, DHCS shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Contract and Contractor shall not be obligated to perform any provisions of this Contract.

If the funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall solely have the option to either cancel this Contract with no liability occurring to DHCS, or offer an amended agreement to Contractor to reflect the reduced amount.

E. Expense Allowability / Fiscal Documentation

1. Invoices, received from a Contractor and accepted and/or submitted for payment by DHCS, shall not be deemed evidence of allowable agreement costs.
2. Contractor shall maintain for review, audit, and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this Contract to permit a determination of expense allowability.
3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and payment may

Exhibit B
Budget Detail and Payment Provisions

be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

4. Costs and/or expenses deemed unallowable shall not be reimbursed or, if mistakenly reimbursed, those costs and/or expenses shall be subject to recovery by DHCS pursuant to HSC Code 11817.8(e).

F. Maintenance of Effort for the Substance Abuse Prevention and Treatment Block Grant

1. Notwithstanding any other provision in this Contract, the Director of DHCS may reduce federal funding allocations, on a dollar-for-dollar basis, to a county that has a reduced or anticipates reduced expenditures in a way that would result in a decrease in California's receipt of Federal Substance Abuse Prevention and Treatment Block Grant (SABG) funds (42 United States Code (U.S.C.) Sect 300x-30).
2. Prior to making any reductions pursuant to this subdivision, the Director shall notify all counties that county underspending will reduce the Federal SABG Maintenance Of Effort (MOE). Upon receipt of notification, a county may submit a revision to the county budget initially submitted pursuant to HSC Section 11798 subdivision(a) in an effort to maintain the statewide SABG MOE.
3. Pursuant to HSC Section 11814(d)(3), a county shall notify DHCS in writing of proposed local changes to the county's expenditure of funds. DHCS shall review and may approve the proposed local changes depending on the level of expenditures needed to maintain DHCS wide SABG MOE.

G. SABG Primary Prevention Services Expenditure Requirement

Pursuant to Title 42, U.S.C. Section 300x-22(a), the Contractor shall expend a minimum of 20 percent of SABG funds for primary prevention services. The Contractor shall expend primary prevention funds for strategies, programs and services directed at individuals who have not been determined to require treatment for a substance use disorder. These programs shall educate and counsel individuals on substance abuse and provide for activities to reduce the risk of such abuse by the individuals. The Contractor shall give priority to programs for populations that are at risk of developing a pattern of substance abuse and ensure that those programs develop community-based prevention strategies.

H. SABG Women Services Expenditure Requirement

Pursuant to Title 42, U.S.C. 5 Section 300x-22(b) and 45 Code of Federal Regulations (CFR) 96.124(c), for each state fiscal year (SFY) the Contractor shall expend an amount of SABG funds not less than the amount expended by the Contractor in fiscal year 1994 on perinatal services, pregnant women, and women with dependent children. The Contractor shall expend that percentage either by establishing new programs or expanding the capacity of existing programs in the manner described in Exhibit G of the annual SABG allocation, "County Share of SABG Women Services Expenditure Requirements" (found at http://www.dhcs.ca.gov/formsandpubs/Documents/Info%20Notice%202015/11-Exhibit_G.pdf).

Exhibit B

Contractor shall identify in its annual cost report the types and amounts of revenues collected.

B. Cost Efficiencies

It is intended that the cost to the Contractor in maintaining the dedicated capacity and units of service shall be met by the SABG funds allocated to the Contractor and other Contractor or subcontractor revenues. Amounts awarded pursuant to Exhibit A, Attachment I, Part I, shall not be used for services where payment has been made, or can reasonably be expected to be made under any other state or federal compensation or benefits program, or where services can be paid for from revenues.

The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by DHCS for that fiscal year or the SABG amount, whichever is less. Changes to allocated funds will require a written amendment to the Contract.
4. For each fiscal year, DHCS may settle costs for services based on the year-end cost settlement report. The year-end cost settlement shall be the final amendment for the state fiscal year.

Section 2 - Substance Abuse Prevention and Treatment Block Grant (SABG)

2. Quarterly Invoicing-Quarterly Federal Financial Management Report (QFFMR)
 - a) Chapter 8760 of the State Administrative Manual requires DHCS to establish control mechanisms to ensure that the Contractor does not spend beyond its allocation and that DHCS does not reimburse beyond the Contractor's allocation. 3. Monthly disbursements to the Contractor at the beginning of each fiscal year of the Contract shall be based on the preliminary allocation of funds, as detailed in Section 2 of this Exhibit.
4. Based on the expenditure information submitted by the counties in the QFFMR (Document 30), DHCS may adjust monthly payments of encumbered block grant federal funds to extend the length of time (not to exceed 21 months) over which payments of federal funds will be made.
5. Pursuant to 45 CFR Section 75.371 and HSC Section 11817.8, DHCS may withhold monthly SABG payments if the Contractor fails to:

7. Adjustments may be made to the total Contract amount and funds may be withheld from payments otherwise due to the Contractor hereunder, for nonperformance to the extent that nonperformance involves fraud, abuse, or failure to achieve the objectives of the provisions of Exhibit A, Attachment I, Part I.

B. Payment Provisions

Changes to encumbered funds require a written amendment to the Contract. DHCS may settle costs for SABG services based on the year-end cost settlement report as the final amendment to the approved single state/county Contract.

- C. In the event of a Contract amendment, as required by the preceding paragraph, the Contactor shall submit to DHCS the information identified in Exhibit E, Section (1)(B). To the extent the Contractor is notified of the State Budget Act allocation prior to the execution of the Contract, DHCS and the Contractor may agree to amend the Contract after the issuance of the first Budget Act allocation.

Pursuant to 42 USC 300x-31, Contractor shall not use SABG funds provided by the Contract on the following activities:

1. Provide inpatient services.
2. Make cash payment to intended recipients of health services.
3. Purchase or improve land, purchase, construct or permanently improve (other than minor remodeling) any building or other facility or purchase major medical equipment.
4. Satisfy any requirement for the expenditure of SABG funds as a condition for the receipt of federal funds.
5. Provide financial assistance to any entity other than a public or nonprofit private entity.
6. Pay the salary of an individual through a grant or other extramural mechanism at a rate in excess of level I of the Executive Salary Schedule for the award year: see http://grants.nih.gov/grants/policy/salcap_summary.htm.
7. Purchase treatment services in penal or correctional institutions of this State of California.
8. Supplant state funding of programs to prevent and treat substance abuse and related activities.
9. 10. Exception regarding inpatient hospital services:
 - a) Medical necessity as precondition: With respect to compliance with the agreement made under this Exhibit, Part II, Section 2(I), a State may expend a grant under 42 USC 300x-21 to provide inpatient hospital services as treatment for substance abuse only if it has been determined, in accordance with guidelines issued by the Secretary, that such treatment is a medical necessity for the individual involved, and that the individual cannot be effectively treated in a community-based, nonhospital, residential program of treatment.
 - b) Rate of payment: In the case of an individual for whom a grant under section 300x-21 of this title is expended to provide inpatient hospital services described in paragraph (1), a funding agreement for the grant for the State involved is that the daily rate of payment provided to the hospital for providing the services to the individual will not exceed the comparable daily rate provided for community-based, non-hospital, residential programs of treatment for substance abuse.

11. Waiver regarding construction of facilities:

- a) In general: The Secretary may provide to any State a waiver of the restriction established in 42 USC 300x-31, subsection (a)(1)(C), for the purpose of authorizing DHCS to expend a grant under section 42 USC 300x-21 for the construction of a new facility or rehabilitation of an existing facility, but not for land acquisition.
- b) Standard regarding need for waiver: The Secretary may approve a waiver under 42 USC 300x-31 (c), only if DHCS demonstrates to the Secretary that adequate treatment cannot be provided through the use of existing facilities and that alternative facilities in existing suitable buildings are not available.
- c) Amount: In granting a waiver under 42 USC 300x-31 (c), the Secretary shall allow the use of a specified amount of funds to construct or rehabilitate a specified number of beds for residential treatment and a specified number of slots for outpatient treatment, based on reasonable estimates by DHCS of the costs of construction or rehabilitation. In considering waiver applications, the Secretary shall ensure that DHCS has carefully designed a program that will minimize the costs of additional beds.
- d) Matching funds: The Secretary may grant a waiver under 42 USC 300x-31 (c), only if DHCS agrees, with respect to the costs to be incurred by DHCS in carrying out the purpose of the waiver, to make available non-federal contributions in cash toward such costs in an amount equal to not less than \$1 for each \$1 of federal funds provided under 42 USC 300x-21.
- e) Date certain for acting upon request: The Secretary shall act upon a request for a waiver under 42 USC 300x-31 (c), not later than 120 days after the date on which the request is made.

Section 1 - General Fiscal Audit Requirements

- A. In addition to the requirements identified below, the Contractor and its subcontractors are required to meet the audit requirements as delineated in Exhibit C, General Terms and Conditions, and Exhibit D(F), Special Terms and Conditions, of this Contract.
- B. All expenditures of county realignment funds, state and federal funds furnished to the Contractor and its subcontractors pursuant to this Contract are subject to audit by DHCS. Such audits shall consider and build upon external independent audits performed pursuant to audit requirements of 45 CFR, Part 75, Subpart F and/or any independent Contractor audits or reviews. Objectives of such audits may include, but are not limited to, the following:
 - 1. To determine whether units of service claimed/reported are properly documented by service records and accurately accumulated for claiming/reporting.
 - 2. To validate data reported by the Contractor for prospective contract negotiations.
 - 3. To provide technical assistance in addressing current year activities and providing recommendations on internal controls, accounting procedures, financial records, and compliance with laws and regulations.
 - 4. To determine the cost of services, net of related patient and participant fees, third party payments, and other related revenues and funds.
 - 5. To determine that expenditures are made in accordance with applicable state and federal laws and regulations and contract requirements.
 - 6. To determine the facts in relation to analysis of data, complaints, or allegations, which may be indicative of fraud, abuse, willful misrepresentation, or failure to achieve the Contract objectives.
- C. Unannounced visits to the Contractor and/or its subcontractors may be made at the discretion of DHCS.
- D. The refusal of the Contractor or its subcontractors to permit access to and inspection of electronic or print books and records, physical facilities, and/or refusal to permit interviews with employees, as described in this part constitutes an express and immediate material breach of this Contract and will be sufficient basis to terminate the Contract for cause or default.
- E. Reports of audits conducted by DHCS shall reflect all findings, recommendations, adjustments and corrective actions as a result of its finding in any areas.

Section 2. SABG Financial Audits

- A. Contractor shall monitor the activities of all of its subcontractors to ensure that the SABG funds are used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the grant and that performance goals are achieved.

Contractor may charge federal awards for the cost of these monitoring procedures if permitted under 45 CFR 75.425.
- C. Contractor shall submit to DHCS a copy of the procedures and any other monitoring mechanism used to monitor non-profit Subcontracts at the time of the County's annual desk review or site visit or within 60 days thereafter. Contractor shall state the frequency that non-profit Subcontracts are monitored.
- D. On-site visits focus on compliance and controls over compliance areas. The DHCS County Monitoring Unit analyst shall make site visits to the subcontractor locations(s), and can use a variety of monitoring mechanisms to document compliance requirements. The Contractor shall follow-up on any findings and the corrective actions. 42 USC 300x-31 subsection (a)(1)(C)
 - 1. Contractor shall be responsible for any disallowance taken by the Federal Government, DHCS, or the California State Auditor, as a result of any audit exception that is related to the Contractor's responsibilities herein. Contractor shall not use funds administered by DHCS to repay one federal funding source with funds provided by another federal funding source, to repay federal funds with state funds, or to repay state funds with federal funds. DHCS shall invoice Contractor 60 days after issuing the final audit report or upon resolution of an audit appeal. Contractor agrees to develop and implement any CAP in a manner acceptable to DHCS in order to comply with recommendations contained in any audit report. Such CAP plans shall include time-specific objectives to allow for measurement of progress and are subject to verification by DHCS within one year from the date of the plan.
- E. Contractors that conduct financial audits of subcontractors, other than a subcontractor whose funding consists entirely of non-Department funds, shall develop a process to resolve disputed financial findings and notify subcontractors of their appeal rights pursuant to that process. If any fiscal adjustments remain after the Contractor and subcontractor have exhausted the internal appeals process, any SABG funds outstanding shall be returned to DHCS. This section shall not apply to those grievances or compliances arising from the financial findings of an audit or examination made by or on behalf of DHCS pursuant to Part III of this Exhibit.
- F. If the Contractor fails to comply with Federal statutes, regulations, or the terms and conditions of the grant, DHCS may impose additional conditions on the subaward, including:

Part IV – Records

Section 1 - General Provisions

A. Maintenance of Records

Contractor shall maintain sufficient books, records, documents, and other evidence necessary for DHCS to audit contract performance and contract compliance. Contractor shall make these records available to SAMHSA, Inspectors General, the Comptroller General, DHCS, or any of their authorized representatives upon request, to evaluate the quality and quantity of services, accessibility and appropriateness of services, and to ensure fiscal accountability. Regardless of the location or ownership of such records, they shall be sufficient to determine if costs incurred by Contractor are reasonable, allowable and allocated appropriately. All records must be capable of verification by qualified auditors.

1. Contractor and subcontractors shall include in any contract with an audit firm a clause to permit access by DHCS to the working papers of the external independent auditor, and require that copies of the working papers shall be made for DHCS at its request.
2. Contractor and subcontractors shall keep adequate and sufficient financial records and statistical data to support the year-end documents filed with DHCS. All records must be capable of verification by qualified auditors.
3. Accounting records and supporting documents shall be retained for a three-year period from the date the year-end cost settlement report was approved by DHCS for interim settlement. When an audit by the Federal Government, DHCS, or the California State Auditor has been started before the expiration of the three-year period, the records shall be retained until completion of the audit and final resolution of all issues that arise in the audit. Final settlement shall be made at the end of the audit and appeal process. If an audit has not been completed within three years, the interim settlement shall be considered as the final settlement.
4. Financial records shall be kept so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed. These documents include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.
5. Contractor's subcontracts shall require that all subcontractors comply with the requirements of Exhibit A, Attachment I, Part I, Section 3.
6. Should a subcontractor discontinue its contractual agreement with the Contractor, or cease to conduct business in its entirety, Contractor shall be responsible for retaining the subcontractor's fiscal and program records for the required retention period. The State Administrative Manual (SAM) contains statutory requirements governing the retention, storage, and disposal of records pertaining to state funds. Contractor shall follow SAM requirements located at <http://sam.dgs.ca.gov/TOC/1600.aspx>.
7. The Contractor shall retain all records in accordance with the time periods outlined in 45 CFR Section 75.361.

B. Dispute Resolution Process

1. In the event of a dispute under this Exhibit A, Attachment I, Part I, other than an audit dispute, Contractor shall provide written notice of the particulars of the dispute to DHCS before exercising any other available remedy. Written notice shall include the contract number. The Director (or designee) of DHCS and the County Drug or Alcohol Program Administrator (or designee) shall meet to discuss the means by which they can effect an equitable resolution to the dispute. Contractor shall receive a written response from DHCS within 60 days of the notice of dispute. The written response shall reflect the issues discussed at the meeting and state how the dispute will be resolved.
2. Contractors that conduct financial audits of subcontractors, other than a subcontractor whose funding consists entirely of non-Department funds, shall develop a process to resolve disputed financial findings and notify subcontractors of their appeal rights pursuant to that process. If any fiscal adjustments remain after the Contractor and subcontractor have exhausted the internal appeals process, any SABG funds outstanding must be returned to DHCS. This section shall not apply to those grievances or compliances arising from the financial findings of an audit or examination made by or on behalf of DHCS pursuant to Part III of this Exhibit.
3. To ensure that necessary corrective actions are taken, financial audit findings that are either uncontested or upheld after appeal may be used by DHCS during prospective contract negotiations.

In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

- (1) **Major equipment/property:** A tangible or intangible item having a base unit cost of \$5,000 or more with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.

DHCS may pay the vendor directly for such arranged equipment/property purchases and title to the equipment/property will remain with DHCS. d. Patent Rights

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Contractor hereby grants to DHCS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining DHCS' prior written approval; and (ii) granting to or obtaining for DHCS, without additional compensation, a license, as described in Section b of this provision, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and DHCS determines that the Intellectual Property should be included in or is required

for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to DHCS.

f. Warranties

(1) Contractor represents and warrants that:

- (a) It is free to enter into and fully perform this Agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
- (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
- (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

(2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by

Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.

- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

11. Air or Water Pollution Requirements

Any federally funded agreement and/or subcontract in excess of \$100,000 must comply with the following provisions unless said agreement is exempt under 40 CFR 15.5.

- a. Government contractors agree to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act [42 U.S.C. 1857(h)], section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).
- b. Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended.

12. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior DHCS approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

13. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.
- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.
- e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

14. Documents, Publications and Written Reports

(Applicable to agreements over \$5,000 under which publications, written reports and documents are developed or produced. Government Code Section 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds \$5,000.

15. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.
 - (1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
 - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's

decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Health and Safety Code Section 100171.
- c. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence shall be directed to the DHCS Program Contract Manager.
- d. There are organizational differences within DHCS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

16. Financial and Compliance Audit Requirements

- a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.
- b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code Section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code Section 38030).
- c. The Contractor, as indicated below, agrees to obtain one of the following audits:
 - (1) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives \$25,000 or more from any State agency under a direct service contract or agreement;*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or
 - (2) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement;*** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or
 - (3) ***If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$500,000 or more in Federal awards;*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
 - (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
 - (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.

- (4) If the Contractor submits to DHCS a report of an audit other than an OMB A-133 audit, the Contractor must also submit a certification indicating the Contractor has not expended \$500,000 or more in federal funds for the year covered by the audit report.
- d. Two copies of the audit report shall be delivered to the DHCS program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the DHCS Program Contract Manager shall forward the audit report to DHCS' Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.
 - e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
 - f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
 - g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
 - h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
 - i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
 - j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
 - k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

17. Human Subjects Use Requirements

(Applicable only to federally funded agreements/grants in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this Agreement, Contractor agrees that if any performance under this Agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

18. Novation Requirements

If the Contractor proposes any novation agreement, DHCS shall act upon the proposal within 60 days after receipt of the written proposal. DHCS may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, DHCS will initiate an amendment to this Agreement to formally implement the approved proposal.

19. Debarment and Suspension Certification

 - (5) Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.
 - (6) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the DHCS Program Contract Manager.
- d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.
- e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the DHCS may terminate this Agreement for cause or default.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. Suspension or Stop Work Notification

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
 - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.
 - (2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:
 - (a) Cancel, extend, or modify the suspension or stop work notification; or
 - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.

- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.

1. Amendment Process

- A. The Department of Health Care Services (DHCS) may amend the Contract.
- B. Should either party, during the term of this Agreement, desire a change or amendment to the terms of this Agreement, such changes or amendments shall be proposed in writing to the other party, who will respond in writing as to whether the proposed changes/amendments are accepted or rejected. If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State's official agreement amendment process. No amendment will be considered binding on either party until it is formally approved by the both parties and the Department of General Services (DGS), if DGS approval is required.
- C. Contract amendments will be required to change encumbered amounts for each year of a multi-year contract period, of which the first amendment will be based on the Governor's Budget Act allocation of that specific fiscal year. The signed contract from the Contractor will be due to DHCS within 90 days from the issuance to the County. If the signed Contract from the Contractor is not received within 90 days from the issuance to the County, DHCS may withhold all non-DMC payments under Exhibit B of this Contract until the required amendment is received by the State.

 - 1) The proposed amendment submitted by Contractor shall include the proposed changes, and a statement of the reason and basis for the proposed change.
 - 2) Amendments shall be duly approved by the County Board of Supervisors or its authorized designee, and signed by a duly authorized representative.

- G. In the event of changes in law that affect provisions of this Contract, the parties agree to amend the affected provisions to conform to the changes in law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Contract are severable and in the event that changes in law render provisions of the Contract void, the unaffected provisions and obligations of this Contract will remain in full force and effect.
- H. In the event this Contract is terminated, Contractor shall deliver its entire fiscal and program records pertaining to the performance of this Contract to DHCS, which will retain the records for the required retention period.

consider the nature and seriousness of the violation in deciding whether or not to terminate the Agreement.

- 5) **Assistance in Litigation or Administrative Proceedings.** Contractor shall make itself and any subcontractors, employees, or agents assisting Contractor in the performance of its obligations under this Agreement, available to the Department at no cost to the Department to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the Department, its directors, officers or employees based upon claimed violation of HIPAA, or the HIPAA regulations, which involves inactions or actions by the Contractor, except where Contractor or its subcontractor, employee or agent is a named adverse party.
- 6) **No Third-Party Beneficiaries.** Nothing expressed or implied in the terms and conditions of this Exhibit F is intended to confer, nor shall anything herein confer, upon any person other than the Department or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.
- 7) **Interpretation.** The terms and conditions in this Exhibit F shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, and the HIPAA regulations. The parties agree that any ambiguity in the terms and conditions of this Exhibit F shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act and the HIPAA regulations, and, if applicable, any other relevant state and Federal laws.
- 8) **Conflict.** In case of a conflict between any applicable privacy or security rules, laws, regulations or standards the most stringent shall apply. The most stringent means that safeguard which provides the highest level of protection to PHI, PI and PII from unauthorized disclosure. Further, Contractor must comply within a reasonable period of time with changes to these standards that occur after the effective date of this Agreement.
- 9) **Regulatory References.** A reference in the terms and conditions of this Exhibit F to a section in the HIPAA regulations means the section as in effect or as amended.
- 10) **Survival.** The respective rights and obligations of Contractor under Section 3, Item D of Exhibit F-1, and Section 3, Item B of Exhibit F-2, Responsibilities of Contractor, shall survive the termination or expiration of this Agreement.

- 12) **Audits, Inspection and Enforcement.** From time to time, and subject to all applicable Federal and state privacy and security laws and regulations, the Department may conduct a reasonable inspection of the facilities, systems, books and records of Contractor to monitor compliance with this Exhibit F. Contractor shall promptly remedy any violation of any provision of this Exhibit F. The fact that the Department inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit F. The Department's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the Department's enforcement rights under this Agreement, including this Exhibit F.
- 13) **Due Diligence.** Contractor shall exercise due diligence and shall take reasonable steps to ensure that it remains in compliance with this Exhibit F and is in compliance with applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, and other applicable state and Federal law, and that its agents, subcontractors and vendors are in compliance with their obligations as required by this Exhibit F.
- 14) **Term.** The Term of this Exhibit F-1 shall extend beyond the termination of the Agreement and shall terminate when all Department PHI is destroyed or returned to the Department, in accordance with 45 CFR Section 164.504(e)(2)(ii)(I), and when all Department PI and PII is destroyed in accordance with Attachment A.
- 14) **Effect of Termination.** Upon termination or expiration of this Agreement for any reason, Contractor shall return or destroy all Department PHI, PI and PII that Contractor still maintains in any form, and shall retain no copies of such PHI, PI or PII. If return or destruction is not feasible, Contractor shall notify the Department of the conditions that make the return or destruction infeasible, and the Department and Contractor shall determine the terms and conditions under which Contractor may retain the PHI, PI or PII. Contractor shall continue to extend the protections of this Exhibit F to such Department PHI, PI and PII, and shall limit further use of such data to those purposes that make the return or destruction of such data infeasible. This provision shall apply to Department PHI, PI and PII that is in the possession of subcontractors or agents of Contractor.

There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within 30 days of vendor release.

G. *User IDs and Password Controls.* All users must be issued a unique user name for accessing DHCS PHI or PI. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within 24 hours. Passwords are not to be shared. Passwords must be at least eight characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. M. Transmission encryption. All data transmissions of DHCS PHI or PI outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES. Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI or PI in motion such as website access, file transfer, and E-Mail.
