STATE OF CALIFORNIA**

**RIGHT OF WAY CONTRACT**

**KENNETH W. WATLAND  
AND PAMELA WATLAND**

**APN: 086-160-012  
GAS POINT ROAD  
WIDENING PROJECT**

This contract is entered into by and between the County of Shasta, hereinafter known as "County", and Kenneth W. Watland and Pamela Watland, hereinafter known as "Grantor."

1. Grantor grants to County a property interest, in the form of Exhibit "1" (the "Deed") attached hereto and incorporated herein, conveying the property interest described in the Deed and Exhibits "A" and "B" attached thereto (the "Property"). The Deed has been executed by Grantor and delivered to County.
2. The parties have herein set forth the whole of their agreement, the performance of which constitutes the entire consideration for the conveyance of the Property and shall relieve County of all further obligations or claims relating to the location or construction of the proposed public improvement, which is described as widening Gas Point Road in accordance with the project specifications as shown on the Gas Point Road Widening Plan – Contract No. 702976, on file in the Shasta County Surveyor's Office (the "Specifications").
3. County shall:
  - A. Compensate Grantor in the amount of \$5,800.00 for the property interest described in section 1. above, including all compensation for existing landscaping and irrigation. The compensation provided pursuant to this subsection shall be paid into Escrow No. P-178021 at Placer Title Company located at 2145 Larkspur Lane, Suite A, Redding, CA 96002 for payment to Grantor. If escrow is not closed and transfer of title is not complete within 180 days of execution of this contract by both parties, the compensation described in this subsection and the Deed shall be disbursed by Placer Title Company to County upon written request by County. If County requests that the compensation provided for in this contract and the Deed be disbursed to it, County shall pay the compensation described in this subsection directly to Grantor within sixty days of County's receipt of the compensation.
  - B. In addition to the compensation mentioned in Section 3.A. above, it is agreed the County will pay a sum of \$1,000.00 as an incentive to the Grantor for the timely signing of the Right of Way Contract. This incentive payment offer expires sixty (60) days from the Initiation of Negotiations (DATE YOU RECEIVED THIS CONTRACT BY EITHER CERTIFIED MAIL OR HAND DELIVERED).
  - C. The compensation provided for in this section shall be paid after title to the Property is transferred to County free and clear of all liens, encumbrances, taxes, assessments, easements, and leases (recorded or unrecorded) except:

- (1) Taxes for the fiscal year shall be cleared and paid in the manner required by Revenue and Taxation Code Section 5086;
- (2) Covenants, conditions, restrictions and reservations of record contained in the above referenced conveyance, if any;
- (3) Easements or rights of way over the Property for public or quasi-public utility or public street purposes, if any.

D. Pay all escrow and recording fees incurred in this transaction.

4. Any amount necessary to satisfy any due and payable taxes and any delinquent taxes due in any fiscal year except the fiscal year in which title to the Property is transferred to County, together with penalties and interest thereon, and any delinquent or non-delinquent assessments, and any bonds except those which title is to be taken subject-to or in accordance with the terms of this contract, may be deducted from the compensation provided in Section 3.
5. Grantor warrants that there are no oral and/or written leases on any portion of the Property exceeding a period of one month.
6. The right of possession and use of the Property shall commence upon transfer of title to County. Transfer of title is defined as the date in which the Board of Supervisors accepts the Deed conveying the interest in the Property to the County as well as compensation shown in Clause 3.A. being placed in said escrow account and made available to Grantor.
7. Grantor shall defend, hold harmless and indemnify Shasta County, its elected officials, officers, employees, agents and volunteers against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of County Counsel and counsel retained by County, expert fees, litigation costs, and investigation costs), damages, judgments or decrees occasioned by any person's or persons' claim or assertion regarding title to the Property.
8. At no expense to Grantor, and at the time of construction of the project, as additional compensation for the property interest described in section 1. above, County shall, in accordance with the Specifications, complete the following work on the Property:
  - A. Reconstruct one existing road connection. The road connection shall be considered an encroachment under permit on the County highway and is to be maintained, repaired and operated as such by Grantor, their assigns and successors. Grantor shall grant to County, its employees and agents, permission to enter upon Grantor's property, for the purpose of constructing the public improvements described in the Specifications and accomplishing all necessary incidents thereto including but not limited to the work described in this section. Upon County's recordation of a notice of completion for the Project, Grantor hereby assumes ownership and responsibility for the improvements constructed on Grantor's property and releases the County and its employees and agents from any further responsibility related to the work performed by County pursuant to this section.
  - B. Remove trees and vegetation from the Property as described in the Specifications. Any usable wood will be bucked into 4-foot lengths, and stacked clear of the project work area on Grantor's remaining property. All branches and brush resulting from County's

removal of trees on the Property pursuant to this subsection shall be removed from Grantor's remaining property.

9. This contract supersedes all previous agreements between Grantor and County regarding the Property and constitutes the entire understanding of the parties hereto. There are no agreements, representations, or warranties, express or implied, not specified in this contract.
10. Grantor represents and warrants that Grantor has not engaged nor dealt with any agent, broker, or finder in connection with the sale contemplated by this contract. Grantor shall pay, and shall hold the County harmless from and against, any commission or finder's fee payable to any other person (or legal entity which) who represents or claims to represent the Grantor.
11. The terms of this contract shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by the parties.
