**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SHASTA
RATIFYING THE PROCLAMATION OF A LOCAL EMERGENCY
AND RESOLUTION REQUESTING THE GOVERNOR TO
PROCLAIM A STATE OF EMERGENCY**

WHEREAS, Section 2.72.060, Shasta County Code of the County of Shasta empowers the Director of Emergency Services to proclaim the existence or threatened existence of a local emergency if the board of supervisors is not in session; and

WHEREAS, conditions of extreme peril to the safety of persons and property have arisen within the County of Shasta, in that on February 26, 2018, unexploded ordnance of an unknown age and unknown stability was identified at associated outbuildings located in close-proximity to a residential structure located at 5747 Happy Valley Road, Anderson, in an unincorporated area of the County of Shasta (the "Property"); and

WHEREAS, the Shasta County Explosive Ordnance Disposal (EOD) team conducted a preliminary evaluation and determined that stockpiles of highly explosive materials and associated materials were discovered at the Property; and

WHEREAS, assessment by the EOD team found that these large quantities of varied volatile and potentially explosive materials are deteriorated and unstable and these varied volatile and potentially explosive materials are in an extremely cramped and cluttered environment, presenting investigation, remediation, safe removal, and other safety problems that require the continuing application of multiple local, state, and federal resources; and

WHEREAS, the highly explosive, unstable materials that have been identified create an ongoing condition of extreme peril directly endangering persons and property within the unincorporated areas of the County and at the time of this proclamation there are still unknowns that may necessitate even broader cross-jurisdictional mutual aid and assistance; and

WHEREAS, the Board of Supervisors was not in session and the Director of Emergency Services of the County did proclaim the existence of a local emergency within the County of Shasta due to the discovery of these highly explosive materials and associated materials on February 28, 2018 at 3:50 p.m.; and

WHEREAS, the Board of Supervisors does hereby find that the aforesaid conditions of extreme peril that directly endangers persons and property within the unincorporated areas of the County did warrant and necessitate the proclamation of the existence of a local emergency.

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Shasta County Board of Supervisors ratifies the proclamation of a "local emergency" by the Director of Emergency Services and proclaims and orders that said local emergency shall be deemed to continue to exist until its termination is proclaimed by the Board of Supervisors of the County of Shasta, State of
