Why do you wish to serve on this Board?

I wish to continue serving on the board in order to learn and aid in the RCDs service to the community.

What demonstrated interest do you have in soil and water conservation?

I have managed and owned a 350 acre ranch in Fall River Valley for 40 years.

Which activities and programs of the Fall River Resource Conservation District interest you and why?

I am confident that I can contribute to the RCDs financial position by researching and obtaining grants.

What goals do you have in mind for the FRRCD? What would you like to accomplish during your term?

1. Community involvement in the RCD and increased resource development.
2. Complete the RCD aquisition and development of the swamp property as a multiuse community asset.
