

**Proclamation of a Local Emergency by  
Director of Emergency Services  
and Request of the Governor to Proclaim a State of Emergency**

**WHEREAS**, California Government Code Section 8630 and Shasta County Code Section 2.72,060 of the County of Shasta empowers the Director of Emergency Services to proclaim the existence or threatened existence of a local emergency as defined by California Government Code Section 8558 when the Board of Supervisors is not in session; and

**WHEREAS**, the Shasta County Board of Supervisors is not in session and cannot immediately be called into session; and

**WHEREAS**, this Proclamation of Local Emergency will be ratified, and as necessary reaffirmed, by the Board of Supervisors pursuant to applicable laws; and

**WHEREAS**, the Director of Emergency Services of the County of Shasta hereby finds:

1. The early January storms have damaged County roadways. The current forecast calls for continued storms. According NOAA, as of January 12th, these storms have exceeded the wettest years on record.
2. To date, the Public Works Department is estimating \$270,000 in unbudgeted costs to repair a slide on Big Bend Road and a 13 foot diameter culvert on Whiskey Creek Road.
3. The Public Works Department has also already incurred an additional \$50,000 in overtime and materials costs to do emergency opening work on these two roads and other roads as well.
4. The continued rains may cause additional damage to these and other roadways. Should the storms intensify, significant costs in overtime, materials, and contract work will be likely. In order to insure our eligibility for disaster relief from both the federal and state governments, it is necessary to declare a local emergency.

**WHEREAS**, the Director finds that these emergency conditions are beyond the control of local resources, services, personnel, equipment, and facilities;

**NOW, THEREFORE, IT IS HEREBY PROCLAIMED** that a local emergency now exists in Shasta County pursuant to Government Code Section 8630 and other applicable laws; and

**IT IS FURTHER PROCLAIMED AND ORDERED** that during the existence of said local emergency the powers, functions, and duties of the Director of Emergency Services and the emergency organization of the county shall be those prescribed by state law, and by ordinance and resolutions of this county approved by the Board of Supervisors, and by the Shasta Operational Area Emergency Operations Plan, as approved by the Board of Supervisors; and,

**IT IS FURTHER ORDERED** that a copy of this declaration be forwarded to the Governor of California with the request that he proclaim the County of Shasta to be in a state of emergency; and,

**Proclamation of a Local Emergency by  
Director of Emergency Services  
and Request of the Governor to Proclaim a State of Emergency**

**IT IS FURTHER RESOLVED** that Sheriff Tom Bosenko, Director of Emergency Services, or his representative is hereby designated as the authorized representative of the County of Shasta for the purpose of receipt, processing, and coordination of all inquiries and requirements necessary to obtain available state and federal assistance.
