To the Members of the Board

I am very interested in the vacancy that has come up, and would like to submit an application.

I first moved to the Round Mt area with my parents in 1976; and purchased my own property here in 1984. Shortly after that I joined the volunteer fire department station 71 and enjoyed working in the community and with a dedicated team of people. I was employed by Frito Lay for 31 years in the intermountain area as a route salesperson, until I retired in 2014. I would very much like to return to serving the community, and the Halcumb cemetery is close to my heart. Both my parents are buried there, and I have known Jerry and Patty Taylor for 30 years, and Don Hampshire is my neighbor and friend. The cemetery is one of the jewels of this community and I would like to be on the team that wants to keep it that way.

Thank you for your consideration.

Sincerely
